

Application No. 10/711,841  
Technology Center 2827  
Amendment dated June 28, 2007  
Reply to Office Action dated April 25, 2007

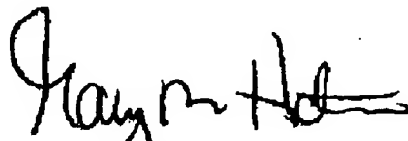

**RECEIVED**  
**CENTRAL FAX CENTER**  
**JUN 28 2007**

**REMARKS**

In the Office Action, the Examiner allowed claims 1, 3-5, 7-21, 23-28, and 30, but rejected claims 6 and 29. In response, claims 6 and 29 have been canceled without prejudice. In doing so, Applicants are not surrendering the subject matter of claims 6 and 29, as the scope of the allowed claims does not exclude the limitation of claim 6 for "a SRAM register coupled to the sense amplifier," and Applicants believe an SRAM register could be employed as a functional equivalent to the "latches" of the allowed claims.

Should the Examiner have any questions with respect to any matter now of record, Applicants' representative may be reached at (219) 462-4999.

Respectfully submitted,

Gary M. Hartman  
Reg. No. 38,898
